Fruition (Pty) Ltd Food Safety Policy

Top Management recognizes and acknowledges the responsibility to provide fruit concentrates, flavours, pulps and puree, syrups, balsamic reductions and pet gravy for dog foods of the very highest standards using quality products and ingredients.

Fruition’s approach to food safety is based on the ISO22000/ISO/TS22002-1 standards, FSC 22000 Version 4.1. and McDonalds Supplier Quality Management system. All products supplied to Fruition is handled, manufactured, stored and transported in accordance with relevant statutory, regulatory and customer requirements.

Top Management will ensure food safety requirements are communicated throughout the food chain, to suppliers, contractors and clients, by establishing specifications for products, ingredients, and storage and usage guidelines.

Adequate information, instruction and training on food safety practices are provided to ensure employees who are responsible for food safety are competent to perform tasks.

Fruition’s Top Management is committed towards implementing this policy across all our operations and communicating our policies and the importance of meeting statutory, regulatory and customer requirements, to all employees.

Top Management will regularly measure compliance against the ISO22000/ISO/TS22002-1, FSC 22000 Version 4.1. standards and McDonalds Supplier Quality Management system. implement measurable objectives to assure continual improvement of the food safety management system, by providing adequate resources.

Top management will review this policy annually to ensure that it continues to reflect the objectives of Fruition.

C. Groenewald
Managing Director
